

A serene sunset scene over a large body of water. The sun is a bright, glowing orb on the horizon, casting a long, shimmering reflection down the center of the water. To the left, the dark silhouette of a sailboat is visible, its mast extending vertically. The sky is a gradient of warm colors, from deep orange near the horizon to a lighter, hazy orange at the top. In the distance, the dark outline of a landmass or hills is visible on the right side.

Catch the late show.

11,000 inland lakes • Over 19 million acres of forest • More freshwater coastline than any other state
